1	Treat all members of the class with dignity and respect. Do not interfere in the ability of others to learn.	
2	Students are to use only College approved applications (SEQTA; MS Teams) to participate in their online classes.	
3	Students must indicate their attendance by posting a 'like' at the start of each online lesson. This will be recorded by your teacher.	
4	Students are only to enter a Teams meeting if their teacher is present. Students are to join the meeting with their microphone muted and their camera off.	
5	For lessons requiring video, students are to ensure that they are wearing their House or College Sports shirt and are to blur their background. Students will be made aware of lessons requiring video prior to the start of the meeting.	
6	Students should only post comments that are relevant to the class learning. They are not intended for personal comments. Remember that your posts are permanent and can be viewed by your teachers.	
7	Respect the privacy and confidentiality of your class. Do not share or repost other people's material or comments.	
8	Follow all instructions given to you by your teacher. Make sure you leave the meeting when your teacher instructs you.	
9	Any student who breaches these expectations may lose the right to engage in online lessons.
