COVID-19 RESTRICTIONS – SCHOOL CONTINUATION ARRANGEMENTS

Dear Parents and Caregivers,

Yesterday evening, Premier Mark McGowan announced that COVID-19 restrictions in the Perth metropolitan area and Peel region will be eased from 12.01am Saturday 1 May. Modified restrictions will remain in place until 12.01am on Saturday 8 May 2021.

The easing of restrictions is very positive news for our College and will mean that many of our planned activities will be able to resume with minimal disruption. Below is an outline of the arrangements and restrictions as they apply to our College.

Mask Wearing

- All staff members and students in Years 7 to 12 in the Perth and Peel regions will still be required to wear a mask **whilst indoors** when at school. Teachers are no longer required to wear a mask while teaching. The requirement to wear masks outdoors will be relaxed unless physical distancing is not possible. This includes travelling on public transport.
- Common sense should apply regarding the colour and markings on masks, with staff and students asked not to wear masks that may contain inappropriate markings or designs.
- Students may be exempt from wearing a mask at school under the following circumstances:
 - The student has a physical, developmental or mental illness, injury, condition or disability which makes wearing a face covering unsuitable;
 - When communicating with another person who is deaf or hard of hearing, where visibility of the mouth is essential for communication;
 - When engaged in strenuous or vigorous exercise;
 - When consuming food, drink or medicine, provided that they are seated at the time.

Parents, Caregivers and Visitors on School Premises

- Parents, caregivers and visitors to schools in the Perth and Peel regions must wear a mask and adhere to COVID-safe guidelines while they are **indoors** on a school site. If parents, caregivers and visitors are outdoors at our College, masks must be worn if physical distancing is not possible.

School Assemblies and Indoor Activities

- Indoor venues with fixed seating are able to operate at 100% capacity. This includes theatres, concert halls, cinemas and performing arts centres.
- Masks are mandatory for indoor public venues with exemption for medical reasons and for primary school aged children or younger.
- Churches may reopen to 100% capacity.

TRADITION
INNOVATION
COMMUNITY

135 Treasure Road
Queens Park WA 6107
PO Box 354 Cannington
WA 6987

T: (08) 9350 5433

Priory: (08) 9458 2729

F: (08) 9356 1602

E: snc@norbert.wa.edu.au

ABN: 29 781 711 208

CRICOS Code: 00455B

- Indoor facilities including school halls, gymnasiums, libraries, community centres, museums, galleries and recreation centres may open subject to observing the two square metre rule.
- Masks are required to be worn at all indoor venues, with exemption for medical reasons or for primary school aged children and younger.

Outdoor Venues and Activities

- Outdoor sport can resume with spectators.
- If outdoors, spectators are required to wear masks where physical distancing is not possible.
- Major stadiums are permitted to operate at 75% capacity.

Cinderella, The Enchanted Edition

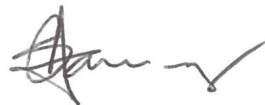

I am delighted to inform families and ticketholders that our scheduled performances of Cinderella, The Enchanted Edition, will go ahead on the dates and at the times previously planned. **There is however, a requirement for audience members to wear masks while on campus and within the Xanten Theatre at the performances (with exemption for medical reasons or for primary school aged children and younger).**

I know this decision was welcomed with enthusiasm by our cast and crew and we look forward to witnessing the wonderful theatrical talents of our students. **Please note that, unfortunately we are unable to serve tea and coffee at the performances.**

Finally, I am grateful to all in our school community – students, parents and staff – for your support in ensuring our school remains a safe environment for all, especially considering the current disruptions to school life. We are indeed blessed that the measures taken have proven so successful and that students in WA are able to engage in their learning with minimal disruption.

I ask that you keep in your prayers communities around the world who continue to experience extreme hardship and suffering in this time.

Yours sincerely,

Simon Harvey
Principal
