St Norbert College

PREPARED FOR ALL GOOD WORKS

Principal's Welcome

An education at St Norbert College will prepare your child for a life based on strong academic excellence, a love of learning, spiritual growth and strength of character.

Our co-educational, contemporary and progressive Catholic college offers that special 'something' for students in Years 7 – 12 for which all families have as a priority for their children. St Norbert College aims to cap enrolments to around 900 students to provide a safe environment, focussing on the 'whole' person. This creates a sense of community that is rare to find in this, complex and ever-changing world.

Not to be overlooked is the College's proud tradition and values, based on the life and work of St Norbert who was said to have been "prepared for all good works", thus providing our College with inspiration which students can aspire.

We are highly respected within community and education circles and pride ourselves on our capacity to offer:

An affordable education that supports academic achievement and the ability for each student to maximise their potential.

This is achieved through belonging to a Christian environment which is based on respect for each other, and a pastoral care program based on a growth mindset, social and emotional intelligence, increased confidence, self-esteem and motivation, thereby encouraging students to strive for personal excellence to enable them to achieve their full potential. The importance of service to others and growing a capacity to make a positive contribution in life are the outcomes of an education at St Norbert College.

The spacious and tranquil grounds of St Norbert College provide the ideal canvas for such shared and purposeful learning. Additionally, our areas of strength extend to our Student Ministry, Sporting, Cultural and Vocational programs. Our Specialised Basketball, Specialised Football (Soccer) and Music Programs and other co-curricular offerings, continue to enable young people to explore and experience success with their talents and gifts.

The enclosed prospectus will give you further insight into the rich experiences to be gained from a St Norbert College education. I look forward to welcoming you and your child into our community.

God bless,

Sharon Rainford
