SPORTS PROGRAM

St Norbert College

Canons Sport offers a wide range of sporting activities to promote the health and wellbeing of our students. There are opportunities for students of all abilities to participate, be active and most importantly, have fun.

Canons Sport also offer a Specialised Basketball Program and Specialised Football Program, providing students with a pathway to playing their respective sports at both a semi-professional and professional level.

St Norbert College is represented in many Southern Associated Schools (Junior) (SASj), Associated and Catholic Colleges of WA (ACC) and School Sport WA (SSWA) competitions, including basketball, netball, soccer, AFL and AFLW, touch rugby, ultimate frisbee, cricket, indoor beach volleyball, athletics, swimming and cross country. In 2023, St Norbert College was named the SASj Overall Champions (East), Junior Boys and Overall Boys Champion School at the ACC Athletics Carnival (C Division) and had two Year 12 students achieve ACC Letters in AFLW and swimming.

The establishment of our Specialised Basketball Program (in 2006) and Specialised Football Program (in 2022) has enabled participating students to pursue excellence in their respective sports.

These prestigious programs cater for approximately 200 students and extend beyond the traditional scope of sports education, fostering the development of physical abilities, fitness, teamwork and interpersonal skills, as well as an understanding of sports officiating and coaching.

Each year, our Specialised Program students represent St Norbert College in School Sport WA (SSWA) and Associated and Catholic Colleges (ACC) competitions. Students are also encouraged to continue developing their skills through club and association sport.

St Norbert College offers a limited number of scholarships to students in our Specialised Programs. These scholarships cover 50 per cent of the applicable College tuition fees and is valid for Years 8 to 12, subject to commendable progress in all areas of College life.
