ST NORBERT COLLEGE

ANNUAL TUITION FEES

The St Norbert College Advisory Board has the responsibility to review annual tuition fees and charges to ensure the viability of the College and the quality of the education it provides. Fee increases are necessary to ensure the ongoing operation of the College. Following a detailed review, the Board has resolved to increase the 2026 Tuition Fee by 1.8% or $100.

Payment of Fees

Fees are invoiced annually in February.

College fee accounts are managed online via the college website 'Parent Lounge' link. The Parent Lounge provides parents and carers with the option to set up a payment schedule that suits their family. Please review the Parent Lounge 'How To' Guide for step-by-step instructions on how to create a payment schedule (weekly, fortnightly, monthly or quarterly).

The Parent Lounge also allows users to add multiple payment methods, should they wish to do so.

Please note that all payment schedules need to be in place by Friday 27 February 2026.

Payment may also be made via BPAY, credit card (in person or over the phone), cash, or EFTPOS.

Parents are requested to be diligent with respect to payment of their account and ensure the balance is cleared in full by the end of the current school year.

An early payment discount of 2% off the tuition fee is available if the annual fees are paid in full by Friday 27 February 2026.

Statements and Non Payment of Fees

Statements will be issued to those families with an outstanding balance. Accounts that are overdue and have no payment arrangement in place may be referred to a debt collection agency. Costs incurred for the recovery of fees will be charged to the family account.

Building Levy
$470 per family

Parent Committee Levy
$50 per family

Year 9 Camp Fee
$700 per student

ADDITIONAL CHARGES

Course Fee

There are additional charges for some courses where there is a greater-than-usual cost per student, such as Workplace Learning, Kairos and Specialised Programs.

Parent Committee Levy

A levy per family applies and will be charged per year. This levy is paid directly to the Parent Committee to aid their work for the College community. Parents are encouraged to become involved with the Parent Committee.

Building Levy

In order to assist with the Capital Development Program, a compulsory building levy per family applies.

This charge is kept to a minimum and is vital for the ongoing capital development of the College, enabling the provision of further facilities and resources for our students. Please note this expense item is not claimable as a tax deduction.

Bus Service

Horizons West operates five charter bus services for St Norbert College students, which cover several surrounding suburbs.

Parents and carers register for the bus service and purchase tickets via the 'Swype' system that is accessed via the college website 'Parent Access' link. Parents and carers are to ensure that sufficient funds are deposited in their Swype account prior to any student travel.

Immersions, Camps and Excursions

Circulars giving details of each immersion, camp or excursion and the method of payment are sent to parents at the appropriate time.

Parents are asked to take particular note of the due dates set for immersions, camp and excursion payments and ensure they are met.

College immersions, camps and excursions play a vital part in the overall College program and the development of our students. Parental support plays an important role in ensuring their success.

Parents in genuine need of financial assistance regarding camp and excursion costs should contact the Business Manager, prior to the due date to discuss alternative arrangements.

Students will not be eligible to participate in optional excursions or immersions unless all fees are paid or up to date with any payment plan agreed with the Business Manager (College School Fees Collection Policy).

Music Fees

Parents will receive music tuition accounts directly from the music tutor and these are separate to the College tuition fee account. Music tuition invoices are to be paid directly to the tutor by the due date. Details of fees will be supplied through the Music Department.

Students enrolled in the College's Instrumental Music Program will be required to pay fees for instrument hire (if applicable). Some materials and resources will be supplied through the Music Department.

Goods and Services Tax (GST)

While College tuition fees do not attract GST, parents should note that some education-related expenses will. Examples of costs which attract GST include uniforms and books.

Health Care Card – Tuition Fee Discount Scheme

Holders of an eligible means-tested Health Care Card (HCC) or Pensioner Concession Card (PCC) may be entitled to a fee discount. Contact College Reception to complete the application forms. Note, the early payment discount is not accessible to families already in receipt of the HCC or PCC tuition fee discount.

State Government Assistance

Holders of the HCC and PCC cards may also be entitled to the Department of Education Secondary Assistance Scheme which consists of:

- $235 Education Program Allowance (payment made to the school) and offset against tuition fees.
- $115 Clothing Allowance (payment made direct to the parent/guardian).
- Application forms and eligibility criteria are available from College Reception.

Withdrawal of Student

As per the College School Fees Collection Policy, one term's notice in writing to the Principal is required by a parent/guardian to withdraw enrolment for the student under their care. Where this notice is not given, one term's tuition fee may be charged in lieu.
